Training

The day is finally here, your CRM rocketship is blasting off the ground, but your crew needs a little help to get up to speed. Not a problem! We give your staff the comfort and knowledge to navigate your newly integrated CRM system to work more efficiently and effectively.

How Can We Help?

CRMs have become a necessity in the modern world to streamline business processes and reach new heights. A CRM's ability to manage, organize and track consumer's behaviour, data and stage in the sales process is inherently valuable. CRM integration is the key to maximize your ROI on your CRM system. At Poeta Digital, we recognize this value. We have helped numerous clients integrate a product that fits their needs from HubSpot CRM, Microsoft Dynamics 365, Salesforce CRM and Zoho CRM, to name a few, and if none of the options fit, there are limitless digital solutions to explore.

What are the Benefits?

Maximize your ROI:

Putting money into a CRM is a significant investment. Ensuring that it integrates with your other systems and helps you work more efficiently is critical in maximizing your ROI for your CRM.

Lead Conversion:

Your CRM will ensure you track your leads and opportunities and help you turn them into deals, whether they come from your website, social media, email, lead generation form, etc.

Seamless Integration of Multiple Systems:

Tired of keeping track of multiple business aspects through multiple platforms? How about we integrate a CRM so you can automatically log contacts, book meetings, send contracts, and so much more. Connecting your systems also keeps your data up-to-date, accurate, and streamlines your workflow processes.

Optimize Your Workflow:

Your CRM can help you take care of mundane tasks and with workflow automation, you can increase efficiency throughout your business.
