The Experts in Staff Augmentation

Do you have a big digital project in your plan, but don't have the manpower to execute? Poeta offers staff augmentation to help fill your unique business needs through staff outsourcing. We have you covered whether you are looking for a full-stack developer, a specific software engineer or a quality assurance tester, to bring your project to life. We have over 14 years of experience on over 300 successfully executed global projects. We can help you ideate and conceptualize the right digital solution, then we'll help you develop and implement it.

What We Offer

Top Talent Team
Our team has over 14 years of experience on over 300 global projects. We have developers, architects, engineers and analysts from around the globe that are ready to make your vision a reality.

Instant Scalability
Through staff augmentation, we can scale the team to your changing project and company needs rapidly when the need arises. This saves you the hassle of worrying about resource management and staffing.

Ongoing Support
We believe in excellent products, and in our rapidly evolving digital environment, product upkeep is essential to its success. We offer on-going support to help you keep your products relevant and running smoothly.
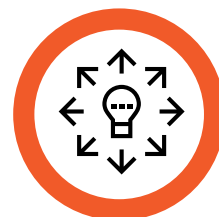

How Can We Help?

Poeta offers staff augmentation to help fill your unique business needs through staff outsourcing with our top talent for any digital project. We offer flexible solutions that can instantly scale to your changing business needs. Staff augmentation helps you get your project started, and finished, faster and saves you the additional costs of expanding your team internally.

What are the Benefits?

Instant Scalability:
Our flexible staff augmentation model allows us to accommodate your changing needs.

Qualified Talent:
Our highly skilled and experienced experts are consistently improving their craft to ensure you are getting the very best talent on your project.

Operational Efficiency:
Staff augmentation removed the hassle of finding and onboarding new talent without compromising digital expertise.

Reduced Overhead Costs:
You don't need to worry about additional overhead costs of expanding your own team.

**300 Products Launched and 15 Years of Experience —
Poeta has been creating expertly made applications and experiences that delight customers.**

*"Poeta designed and built a complete mobile application that digitizes paper and manual workflows. Member engagement and retention has increased." —- Todd Millar
TEC Canada CEO*

*"Their talent, efficiency and attentiveness is truly top-notch. The support, speed of work, and thoroughness provided by Poeta over the past few weeks has blown our original expectations out of the water."---
